

## The Salute to honor our Nation and Flag

When does a veteran salute?

All veterans **MAY** salute for the following events:

1. When presenting and posting the colors all people will rise and veterans salute in honor of our Nation's flag.
2. When saying the pledge of alliance all people will rise and veterans salute in honor of our Nation's flag.
3. When the singing of our National Anthem all people will rise and veterans salute in honor of our Nation.
4. When the playing of taps all people will rise and veterans salute in honor of all military that have made the ultimate sacrifice for the freedom in our Nation under the U. S. Constitution.
5. When performing military honors at a military funeral, the salute should be in slow motion. This is to honor our fallen warrior from rude actions such as a fast jerky salute.
